

COSMO ECLIPSE

indoor lighting

Ceiling-mounted or pendant luminaire attached to a cable tray
 BODY: metallic painted PC, in 7 transparent colors or in-mass gray colored available on request
 DIFFUSER: transparent PC
 LOUVRE: a parabolic darklight louvre which reduces glare and enhances the luminaire's aesthetics
 POWER SUPPLY: integrated ON/OFF or DALI electronic driver
 Ingress protection: IP66, Mechanical impact resistance: IK08
 OTHER: quick and convenient installation - the LED panel is combined with the diffuser
